Developmental, Behavioral, and Emotional Screening Tools

Screening Tool Name	What Age Is It Taken?	When Is It Completed?	Who Completes It?
Edinburgh	1 month	At the 1 month well check	The child's mother
MCHAT	18 months and 30 months	At the 18 and 30 month well checks	The child's parent/guardian
SWYC	12 months and 24 months	At the 12 and 24 month well checks	The child's parent/guardian
PSC17	6 years – 12 years	At every yearly well check between 6 – 12 years old	The child's parent/guardian
PHQ9/Teen Letter	13 years – 18 years	At every yearly well check between 13 – 18 years old	The teenager
Teen Packet	13 years – 18 years	At every yearly well check between 13 – 18 years old	The teenager

How Are Screening Tools Completed? All screening tools can be completed online as part of your Mobile Check-In, except the PHQ9 and the Teen Packet. Any tools not completed in advance will be completed in the office at the time of your visit.
